BIGGS CHAPTER #0270
NORTH SAN DIEGO COUNTY H.O.G.

COME RIDE WITH US

Director

Hello HOG Family!

I hope this newsletter finds you all well and enjoying the perfect crisp air of autumn riding!

This past weekend, I had the distinct pleasure of not just leading a great ride, but of hitting a personal milestone that I wanted to share with all of you: I completed my 400th Chapter ride!

It's hard to believe how many miles, how many incredible backroads, and how many shared laughs that represents (65,000 miles to be exact on the Tiki Trike). Four hundred rides is more than just a number on a spreadsheet; it's a living testament to the spirit of our Harley Owners Group Chapter. It represents the early morning starts, the perfectly executed group maneuvers, the delicious roadside stops, and, most importantly, the genuine camaraderie we share every time we kick up our stands.

I'm incredibly proud of what we've built together. This Chapter is a family, and every single ride - whether a short jaunt for lunch or a weekend-long tour- is a chance to strengthen those bonds. Thank you for being the best riding partners a director could ask for.

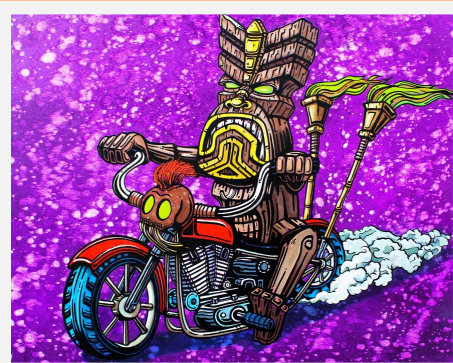

While I'm thrilled to have hit 400, I'm even more excited about the road ahead. October is here, bringing some of the absolute best riding weather of the year, and the Activities Committee and I have been busy planning some spectacular events to close out the year and look toward 2026. I especially *Love* a special event coming in November.

The planning for next year is already in full swing! We are looking for you to help the Chapter in 2026. These rides don't happen by themselves, it takes planning, thought, and consideration. So if you want to lend your talents, I would love to speak with you.

My 400th ride was special, but what makes every ride special is seeing all of your faces and hearing the rumble of the pack. Let's make the next 400 rides even better than the last!

Keep your tires clean and your eyes on the horizon. I'll see you on the road!

Ride Safe!!

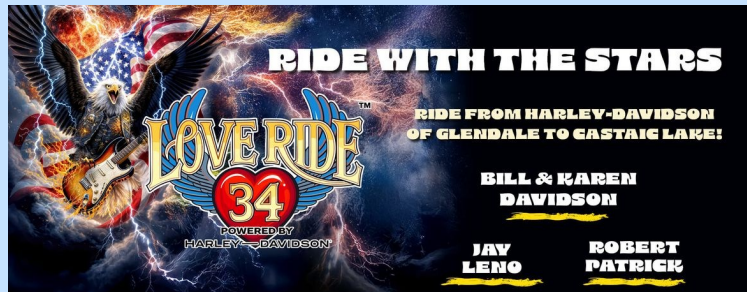

Gene P "Tiki"

Assistant Director

Show Some Love

Since 1984, the *Love Ride*® has united riders, celebrities, and communities for one purpose: to make a difference. With over \$25 million raised for charities, it remains the world's most iconic one-day motorcycle fundraising event. The *Love Ride Foundation* is a 501(c)(3) nonprofit founded by Oliver Shokouh. Its purpose is to raise funds to support organizations improving lives through health, education, and other forms of support. Over the years, the Foundation has proudly partnered with groups including Autism Speaks, Big Brothers Big Sisters, Children's Hospital Los Angeles, MDA, Wounded Warrior Project, and more.

In 2025, the tradition continues — bigger and more impactful than ever.

The historic return of *Love Ride 34*, powered by Harley-Davidson, will take place Sunday, November 9, 2025, at Castaic Lake, just north of Los Angeles. After a multi-year hiatus, this iconic charity motorcycle event is back in full force and Harley-Davidson is proud to support it as a presenting sponsor. *Love Ride 34* will benefit two incredible organizations: Wounded Warrior Project and Adopt the Arts.

Love Ride 34 is a one-day event on Sunday, November 9 and will include:

- ♥ A group ride departure from Harley-Davidson of Glendale
- ♥ Live music Gene Simmons from KISS with his band, Chevy Metal, and surprise musical guests and other entertainment
- ♥ The Speed-Kings Custom Motorcycle Showcase
- ♥ *Bill Davidson and Karen Davidson* are both attending and riding as well as Jay Leno, Robert Patrick with other celebrities along with thousands of other riders
- ♥ Chance to win a Special VIP Package to include a shopping Spree with participating dealers and a chance for California residents only - to win a 2025 Harley-Davidson CVO Street Glide
- ♥ Food trucks, vendors, and more....

If you're interested in riding out and participating, event tickets and hotel partner links are available now at www.LoveRide.org. We will be discussing soon whether we do this as a Chapter event. We will know this before the October Chapter Meeting.

Long Distance Riding

Greetings, Biggs HOG family! The fall season is here in sunny Southern California! Mornings and evenings can bring a chill, but the days often remain warm and perfect for riding.

Sonora Long-Distance Trip (Oct 24–27/28, 2025): Big elevation swings, cooler mornings/evenings, twisty roads, and wildlife. Shorter daylight so use clear/neutral visors, and aim to be off the twisties before dark. If you're on the optional Bishop/Manzanar return, expect colder temps and early starts - hydrate, ride your pace, and communicate issues early so the group stays safe.

Are YOU Ready for the Trip? Before embarking on our next big ride, take a moment to ensure you're truly prepared. Riding long distances requires skill, endurance, and the right mindset. Ask yourself:

- ✓ Can you handle long distances and varied weather conditions?
- ✓ Are you comfortable maintaining freeway speeds for extended periods without using cruise-control?
- ✓ Do you have any medical needs that others should be aware of?
- ✓ Is your head in the game? Are you distracted by other life events? If so, you may become a liability to yourself and other riders.

Gear Up for Success. Proper gear can make or break your trip. Ensure you have:

- ✓ Layered clothing for cooler mornings/evenings and warmer mid-day temps.
- ✓ Rain gear in case of unexpected showers.
- ✓ A means of carrying water and access to ICE (In Case of Emergency) contacts.
- ✓ Maps, extra charging cords, trash bags, and other essentials.
- ✓ Packed gear properly—heavier items should be packed low, and essentials should be easily accessible.
- ✓ Checked the bike's weight limits; (GVWR - Running Order Weight) = Your Load Capacity!
GVWR = 1360 lbs Bike's running weight = 910 lbs Load Capacity (difference): 1360 - 910 = 450 lbs
The weight sum of the Rider + Passenger + All Gear = Less than load capacity
NOTE: a leather jacket + full-face helmet + boots weigh about 13-15 lbs.
- ✓ Extra FOB (keys) and a fresh CR2032 battery (or two).
- ✓ Cash for gasoline in case credit cards aren't accepted.

Is Your Bike Road-Ready? A well-maintained bike is a safer bike. Do the T-CLOCS check and don't forget to have any required maintenance done well in advance—tires, oil, brakes, battery, spark plugs, air filter. See Chad in Service or Danny Boy and Chris in parts for all your service and parts needs.

Follow The Leader. Be aware of subtle cues. If the ride leader:

- ✓ Gets fuel, you get fuel!!
- ✓ Doesn't remove their helmet, you shouldn't remove your helmet; be ready to roll.
- ✓ Prepares to depart, you prepare to depart; get your helmet on and be ready to roll.

Don't hold up the group by lingering; respect each other's time! If you are the only one talking and others are intently listening and watching you they are most likely waiting for you before they can depart!

Remember, Safety Is No Accident!

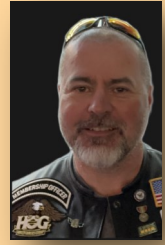

Let's make October the month we take a good look at our bikes, gear, and accessories. Stay safe, have fun, and I'll see you all out on the road!
