Good Evening HOG Chapter No. 1

We are going to have a chili cookoff after the March meeting. We still have a few spots available for chili cookers and the winner will receive a prize.

The March Officer's meeting will be held at the dealership at 6pm Tuesday March 1, 2022.

This coming weekend is the Regional Officer Connection (ROC Training). Some of the officers and I will be spending the day learning more about HOG and how we can better serve the Chapter.

We have some events coming up on the calendar so keep reading.

Membership

Two weeks left before the renewl grace period ends. Make sure you get with Elaine at the meeting. We are doing great on renewls so lets keep it!!

Membership dues need to be in on or before the March meeting, to be considered an active member. Membership forms require a wet signature which can be turned in to Elaine at the meeting or dropped off in the Chapter mailbox next to the elevator at the dealership. The mailbox is checked weekly by either myself or Dave Blankenship. Cash or check only!

Dealership Happenings:

22% off all week so go see the ladies in Motor Clothes and get hooked up!!

Speaking of the ladies in Motor Clothes, my lovely bride Nicci has moved back to the Motor Clothes department at the dealership. Don't be shy and go say Hi!!

She is still going to be your contact for mileage but email will be the preferred delivery method. nlegere@hdofindy.com.

If you haven't done so yet, get your starting mileage turned in for your first reading. We need to have both a starting and ending mileage to count for ride 365.

Don't forget to add your HOG #, Mileage, VIN and add your associate if you have one as well when submitting. As always, let me know if you have any questions, comments or concerns. Thanks!

Quick Teaser:

Jason Probst is putting together a ride on 9/17/22.
He will be giving us more details at the March Meeting so stay tuned!

Mark Jones will be presenting an HD Ride Planner class March 19th. So if you have trouble with Ride Planner or want a refresher this will be a great class to attend!
