BIKER BUDDIES

Because joining HOG is just the beginning.

New members bring new energy, new friendships, and new stories to our chapter. Biker Buddies is designed to help make that first step into the chapter a little easier.

An experienced HOG member becomes a Biker Buddy to a new member — someone they can turn to, ride with, and ask questions.

WHAT DOES A BIKER BUDDY DO?

- ✦ Welcome and introduce new members to other HOG members
- ✦ Invite them to rides, meetings, activities, and chapter events
- ✦ Help them understand how our chapter works
- ✦ Make sure they know where to find information and updates
- ✦ Check in and make sure they feel comfortable and included
- ✦ Help answer questions or point them in the right direction
- ✦ Encourage them to get involved at their own pace
- ✦ Be a friendly face they recognize when they show up

THIS ISN'T ABOUT BEING AN EXPERT.

It's about being someone who says,

"Come ride with us."

A Biker Buddy can help turn
"I'm new here"
into
"I'm glad I joined."
