EDITOR'S NOTE

Is it Spring yet? March Swineline!

I for one am ready for some Daylight Savings Time to spring forward with longer days with 60+ degree days and lots of sunshine to ride in. One can hope for all at the same time.

With rainy days we've had, I've been planning our vacation road trip up to Canada. Our first destination is Glacier National Park and then riding north up to Banff and onto Jasper then wherever the road leads us. It is an area that's been on our bucket

list. Where are you going this year on those vacation road trips? Would love to hear about destinations that are on your bucket list this year.

I'm looking forward to the chapters group riding season. So many fantastic rides and overnights getting planned by our Road Captains. They will be posted on the website calendar with more details.

SMALL TOWN SPOTLIGHT JEROME, ARIZONA

Fill up the tank and enjoy this full day of riding. Jerome is located between Sedona and Prescott. The ride has exciting, scenic winding turns in store. It's crazy just how fast the vegetation changes on this one. Heading south from Flagstaff you'll be heading to mountains of Ponderosa Pines dropping into Red Rocks of Sedona then into the grasslands. After a number of twists, switchbacks, and somewhat breathtaking drop-offs, the road climbs up and up some more. Before you know it the road drops back to 5200 feet where Jerome suddenly appears as a modge-podge of homes and businesses clinging to the side of the mountain. Jerome has much to offer for haunted eats. Everything is in walking distance to. When you head out towards Prescott head to Watson Lake for some more break taking views. If you're going back north go on back up 89A the views are totally different. Don't pass up 89A to Jerome!

ST. BALDRICK'S FOUNDATION

**Arnie Karn
Biker Brother**

For the past seven years Chapter member, Arnie Karn and his group of Biker Brothers have been hero's for children with cancer by shaving their heads, beards and even eyebrows off at this annual event to raise money for St. Baldrick's.

What exactly is the St. Baldrick's Foundation? It's not a foundation started by a saint with the unfortunate nickname "Bald Rick." St Baldrick's is a charity with a funny name that does one thing and does it well. They fund grants for childhood cancer research through head-shaving events and other fundraisers so kids with cancer can live long, healthy lives. So where did that name come from?

Like many crazy, world-changing ideas, St. Baldrick's Foundation started in a pub. Three friends challenged each other to shave their heads bald at a St. Patrick's Day party to raise money for kids with cancer.

The challenge was so successful — raising a whopping \$104,000 and resulting in 19 bald heads — that the founders started to think even bigger. Soon, those two seemingly unrelated concepts (baldness and St. Patrick's Day) were put together, and ta-da! The St. Baldrick's Foundation was born.

At our March Chapter meeting coming up on the 10th Arnie will pass the hat. Every little bit helps for a donation and is very much appreciated. Let's show our Chapter spirit and help those kids!

HOG FEAST SERVED UP BY OUR ROAD CAPTAINS

It was an early Sunday for our cooks who made us all breakfast! Our Sunset Road Captains got up, cooked some chow and came down to Paradise to put on a KILLER breakfast feast for all who came to eat. We had a lots of bacon and sausage fried to a crispy crunch and a whole lot of tasty biscuits and gravy to mow down along with a troughs of all kinds of scrambled eggs. It was a special day and we even got to sing Happy Birthday to Hae Simone! We all had a great time grubbing down and spending time with our HOG family.

All your donations go to support our hard working Road Captains. The Sunset Chapter Road Captains thank you for all your support and are look forward to an awesome 2020 riding season they have planned for us all.
