Sunset Chapter
New Secretary
Angie Hannan

My name is Angie Hannan. I joined the Sunset Chapter with my husband when he bought his first Harley in 2020, I purchased my Tri-Glide Ultra in 2022. I love it! I was riding for several years in Texas (fair weather rider, that I am) then did not ride again until about 20 years after I moved here to Oregon.

Some of our favorite activities are seeing different places and traveling in our motorhome. Each year we have a group of friends that we travel with out of country, next year our goal is touring Scotland castles.

Together we have 6 kids, 1 horse and 2 dogs and 7 grandchildren all of which keep us very occupied. I look forward to getting to know each of the chapter members as your secretary.

**Meet Our Chapter
Photographers
Amy Maxwell &
James Hanson**

James has been riding since 1990. His first bike was a Honda CB650. His first Harley-Davidson was a '98 Road King Classic. He currently rides a 2017 CVO Limited he purchased during the COVID lockdown. In May 2020, he donned a P95 respirator and flew to Denver, Colorado to pick up his new bike at Avalanche Harley-Davidson. The return trip was 1500 miles through snow covered mountains, driving rain and blistering sun. James met Amy July 10th, 2020 when she found him on Match.com and asked him for a ride on his motorcycle. It was love at first sight and now they are inseparable. She is very happy to ride on the back of the CVO, taking pictures for the chapter.

James and Amy joined the chapter in 2021 and instantly became part of the family. James became a Road Captain that same year while Amy was given a Road Name within a few months. It can be challenging to quiet down a room full of bikers, but you could hear a pin drop the first time she let out a whistle that nearly shattered glass.

James and Amy started the year off with the Polar Bear ride on January first. They are looking forward to their next multi-day road trip (hopefully to Sturgis). Their motto is "It's not the destination, it's the journey".

Sgt. Steve Watts Veterans Foundation News Update

As many of you know, the **SGT Watts Veterans Foundation** was founded under the simple premise of good friends, honoring the memory of our very special friend, SGT Steve Watts. Steve was a humble man, a helpful man, an avid motorcycle enthusiast and a decorated Veteran of the United States Army.

Steve cared deeply for his friends, fellow riders, and veterans! It is with this passion; the Foundation was formed in service and support of fellow Veterans in need. As we announced in a recent HOG Chapter Meeting, we are proud to introduce you to our new website where you can learn more about the Foundation, and the services and support we offer to the veteran's community.

<https://www.sgtwattsveteransfoundation.org>

The website was created with the help and sponsorship from our friends at Endurium, drivers of business transformation. Please take a moment to view the website and read more about Steve. As you will see on the website, individuals may contribute through monetary donations, or they may contribute by simply purchasing a raffle ticket, which gives them the opportunity to win a 2022 Harley Davidson Motorcycle during our annual motorcycle raffle on August 26, 2023.

We thank you in advance for your support and if you haven't purchased your 2023 motorcycle raffle ticket, now is the time and you can do so from the convenience of your personal computing device.

Please join us In Service and Support of our Veterans. Never give up, never forget, and never leave any veteran behind!
