

Resources

Rider Training:

Motorcycle Safety Foundation (MSF)

www.msf-usa.org

800-446-9227

MSF Rider Education and Training System offers a full course library beginning with a Basic Rider course for both two and three wheels and continues with courses through Advanced, Street, and Circuit riding and many more.

Motorcycle Ohio (MO)

www.motorcycle.ohio.gov

MO also offers riding courses for Basic Riders and Advanced Riders.

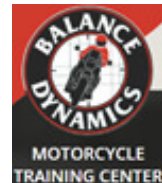

Balance Dynamics Motorcycle Training Center

www.bdmtc.com

859-485-2925

Balance Dynamics is a private training center located in Walton, KY offering Basic and Total Control courses.

Medical:

Accident Scene Management/Road Guardians (ASM)

www.roadguardians.org

262-706-3278

ASM consists of Basic and Advanced classes which combine classroom and hands-on training directed toward the specific issues related to motorcycle related crashes.

General:

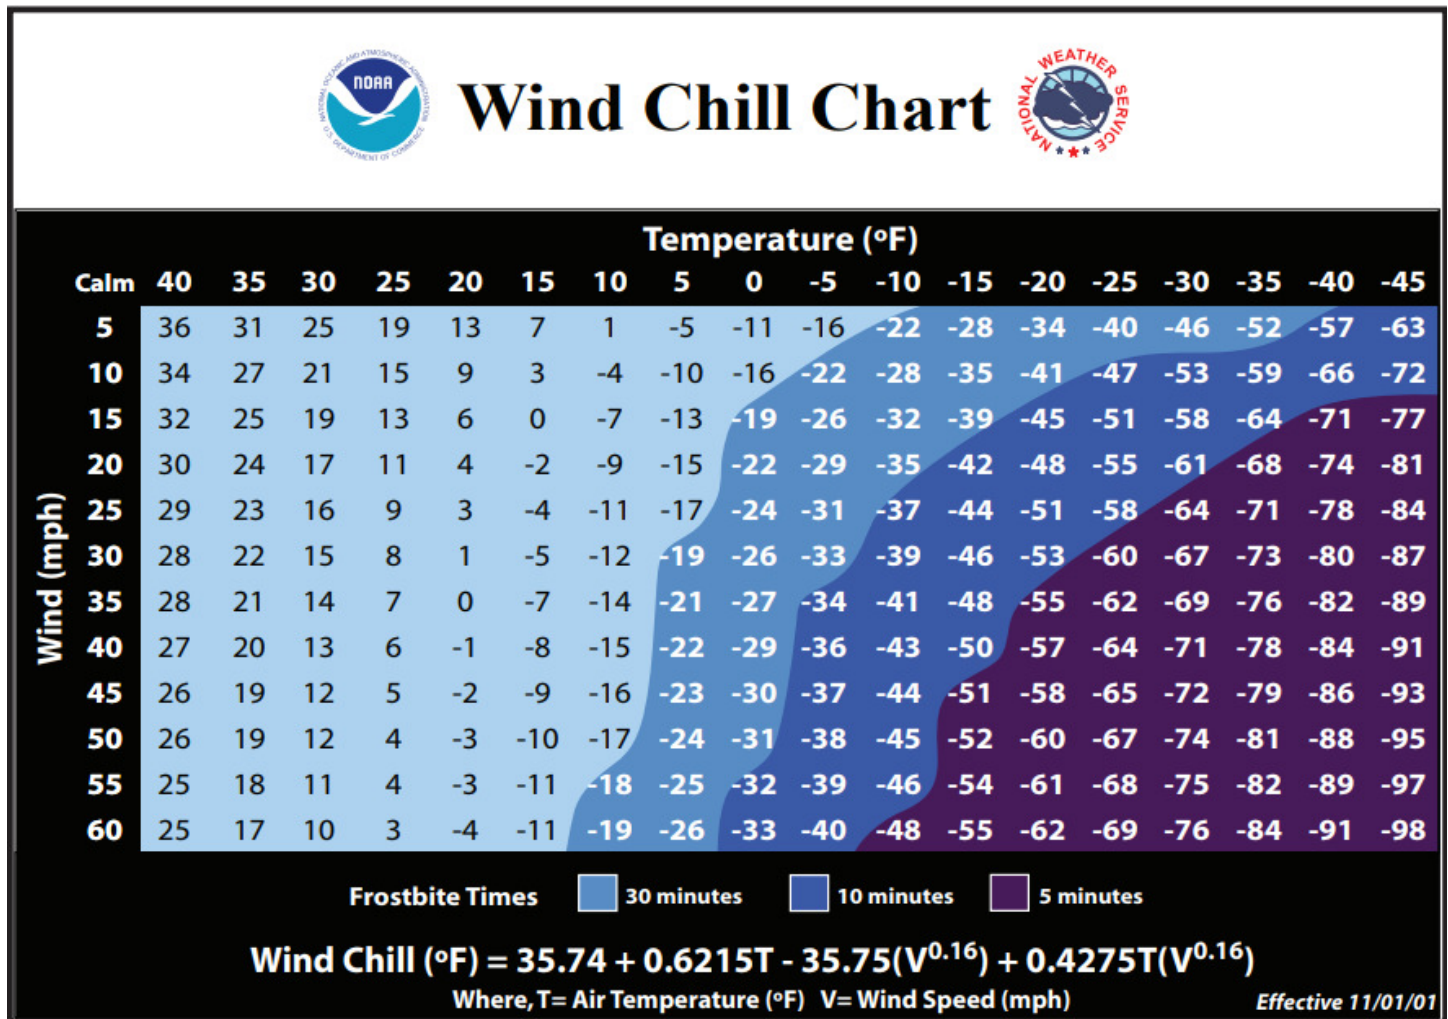

National Highway Traffic Safety Administration (NHTSA)

www.nhtsa.gov

NHTSA is a great resource which not only lists recalls for vehicles, it also offers Road Safety information in many areas.

Wind Chill:

Ride Safe!
