Huron River Drive

submitted by Jim 'Scout' Nadeau

Here's a great ride for those days when you're looking for something to do around town. A sweet little morning or afternoon ride that satisfies your Harley jones while allowing time to get those nasty little chores done around the house.

We'll start on Hines Drive, but just pick it up where it's convenient to your location.

West – Hines Dr.

Left/west – 7 Mile

Right/north – Pontiac Trail

Left/west – 9 Mile

- Continue straight as 9 Mile changes to M-36 just past US-23

Left/south – Merrill

- Merrill comes into M-36 just after the Hamburg Plaza/Ward's Do-it Center and Dairy Queen

Right/west – Strawberry Lake

Left/south – Mast

Left/east – Huron River Drive

- **Tricky corner.** Joy Rd. and Huron River Dr. are very close. Separated only by the parking lot of a small party store. Huron River Dr. west is offset from east, it is almost directly across Mast from Joy Rd. You want east. It's the last road before going over the bridge.
- In this area HRD is a lot like Hines Dr. You'll encounter numerous bicycles and joggers. The road twists and turns as it follows river, crossing over and back a couple of times. Just after you cross under M-14 it will dead-end at BR23, Main St.

Right/south – Main St

Left/east - Depot St.

- Depot is the first traffic light you come to after turning onto Main.
- It follows the railroad tracks past The Gandy Dancer, changes name to Fuller then comes to a 90 degree "T" at the top of the hill across from the Medical Research Center.

Left/north – at "T" to stay on Fuller

- Stay on Fuller past hospitals. Fuller changes name to Geddes just past the VA Hospital. Continue on Geddes just past US-23

Left/north – Dixboro

Right/east – Plymouth Rd.

Left/east – at Ann Arbor Trail "Y"

- Continue on Ann Arbor Trail into downtown Plymouth. You'll find plenty of sweet distractions there to keep you busy and away from those nasty chores just a little longer.

FOOD, DRINK AND POINTS OF INTEREST ALONG THE ROUTE:

Casey's Tavern

305 Depot St.
Ann Arbor

Just after turning on Depot off Main. Parking across the street in the railroad station lot.

Angelo's

353 Glen, corner of Catherine
Ann Arbor

Turn right the Fuller St. "T" instead of turning left per route instructions

Dixboro General Store

Corner of Plymouth and Cherry Hill
Downtown Dixboro
