

WAUSEON NATIONAL July 21-23, 2017

Here's an interesting destination, close and easy to get to.

For the last 35 years the Fulton County Fairgrounds near Wauseon, Oh has been hosting the Wauseon National Meet. If you've been around motorcycles a while you'll like this free event. Wait... did you hear that... FREE EVENT. Ok, they charge \$5 for parking. And the beer isn't cheap. But free admission is good.

Antique and some just plain old motorcycles and parts flood the fairgrounds. Races, field games, tech seminars, antique motorcycle show, a memorial run and plenty of vendors will keep you busy way beyond the time you promised your wife you'd head back home.

For 2017 the meet is scheduled July 21-23
