

Chapter Challenge for 2021. I am not promoting drinking but I thought this would be a fun one to do. The Challenge is called Brews , Wine and Cheese. We are going to do things a little different this year. I am giving you a list of places to visit and I want you to pick three places off each list and visit them. Take a picture of you with your bike in front of the place or their sign, send it to the director to get credit. Have fun with this and please don't drink and drive.
