### RIDE and HAVE FUN!

My aim, as Director, is to emphasize the Harley-Davidson Owners Group adage: “Ride and have fun.” My number one goal in support of this mission is “Ride More, Ride Better,” which includes the following objectives: providing a full and varied calendar of rides, from casual cruises to challenging back-road adventures; offering rides that are fun, scenic, and safe, with options for different skill levels; and creating signature events, annual rides, overnight trips, and support for regional rallies.

This month, the conditions are perfect for taking your motorcycle out for a ride and generating some miles for the chapter mileage challenges. A quick review of the calendar shows a number of fun rides. I noted that there are at least four weekday rides. What some folks describe as “retiree rides” are open to anyone who has the

day available. These rides are usually a bit challenging and end up somewhere fun for lunch.

This month, there are two Maryland Delaware American Motorcycle Riders Association (MDAMRA) primary events. On June 6, Karl Forsberg will lead a ride to the Fort Washington Chapter’s primary event. Karl will take a few back roads, two-lane highways, and a bit of freeway to make the ride fun. On the 13th, Len is leading a ride to the First State Chapter’s primary event. This is an all-day ride. I encourage as many members as possible to participate in these rides in support of the sponsoring chapters and their objectives. The First State and Fort Washington flyers are attached. These rides are included in the Chapter Passport for additional points.

Last but not least is the Harley Owners Group rally in Winchester, Virginia, from June 17 through June 20. This is the Blue Ridge Rumble Rally. If you haven’t registered, you need to do so on the H.O.G. website. The rally is a gathering of hundreds of riders taking advantage of many local rides, walking activities, and demo rides at the local dealership. The chapter has rides leaving on Wednesday and Thursday. I hope you take advantage of one of these rides.

***Ride Programs –Ernie Staples, Jr.***

Don't miss out on the ride givebacks! Each month, from March through October, I pick one ride and give chapter members who show up for the ride an opportunity to get something back from the chapter. The May giveback took place on the May 7 ride to Chesapeake Market. The chapter member with the highest odometer reading (Bob Harris, 64,570 miles) and the chapter member with the lowest odometer reading (Ernie Staples Sr., 3,873 miles) each received a \$25 Old Glory H-D gift card. If you have a newer bike or an older bike, you should have been there — you might have won! Be sure to show up for as many June rides as you can; there's no telling what you might win.

The Old Glory Chapter Passport Contest gives you an opportunity to earn points for doing things that you would be doing anyway: riding, meeting other chapter members, and taking advantage of everything the chapter has to offer. If you like riding on your own, you can get points for that too — there are 59 different locations you can ride to in order to earn points. Pick up a Passport booklet from me at a meeting or if you see me on a

ride, and then keep it on your motorcycle so you don't miss an opportunity to earn points. The 10 chapter members with the most points at the end of the year will win an Old Glory H-D gift card.

This month, we have rides scheduled to two other chapters' primary events — Fort Washington on June 6 and First State on June 13. Please be sure to support the other chapters' events, and then they'll support our event in August. Earn 10 Passport points for each of these rides you attend.

In order to obtain Chrome Chapter status, we need at least 50% of our members to submit two odometer readings to National H.O.G. this year. It doesn't matter how far you ride; you just need to submit two readings. There are multiple ways you can submit a reading:

1. Ride to any Harley-Davidson dealership and ask for your odometer reading to be submitted.
2. Join the Let's Ride Challenge, ride to a participating Harley-Davidson dealership, and scan their QR code to have your odometer reading validated.
3. Email photos of your odometer, VIN, and H.O.G. membership card to one of the following: Alison Norton [AlisonN@oldgloryharley.com](mailto:AlisonN@oldgloryharley.com), Andrew Schneider [AndrewS@oldgloryharley.com](mailto:AndrewS@oldgloryharley.com), or Dan Brennan [DanB@oldgloryharley.com](mailto:DanB@oldgloryharley.com), and ask for your odometer reading to be submitted.

While you're at it, if you haven't already done so, send me your VIN and starting odometer reading for the Old Glory Chapter's mileage contest at [RidePrograms@OldGloryHOG.com](mailto:RidePrograms@OldGloryHOG.com). Or, if you see me on a ride, I can read your odometer in person to get you signed up. The 10 riders with the most miles during the year, who also participate in at least five chapter rides, will win an Old Glory H-D gift card.

## Rides - Save the Dates

Hi everybody. I think most of you recognize me or know me already. My name is Gary Stratmann. I'm the big guy with the orange shirt in the back of the room. I can't believe they made me the Senior Road Captain again. I guess it's because I love to ride. With that being said, my goal for our chapter is to give the members as many riding options as we can provide. This will show all that the Old Glory Chapter does ride.

**YOU MUST ARRIVE 15 MINUTES BEFORE DEPARTURE TO SIGN IN AND PARTICIPATE IN THE PRE-RIDE BRIEF. ALL RIDES LEAVE IMMEDIATELY AFTER PRE-RIDE BRIEF. PLEASE CHECK THE CHAPTER HOTLINE (301-660-3150) 2 HOURS BEFORE DEPARTURE TIME FOR CANCELLATIONS**
