

LIVE TO RIDE IN '25

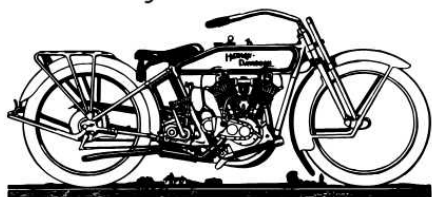

FULL THROTTLE FUN!

Dear Rose City HOG Members,

August is here, and with it comes sunshine, open roads, and more reasons than ever to ride, have fun, and connect with the incredible people who make this chapter thrive.

We're in the heat of riding season, and the calendar is stacked. Whether you're a weekend warrior, a weekday lunch cruiser, or an all in HOG mile chaser, there's something for everyone this month.

We kick it all off with the Second Saturday Breakfast at Stanley's Corner on August 9th, a perfect way to fuel up with friends before heading out on Doug Park's Chapter Ride to Detroit Lake and Sweet Home. That same day, our sponsor, Volcano Harley-Davidson is turning up the heat with the first annual Ride Hard, Pull Hard Arm Wrestling Tournament, benefiting the SGT Watts Veterans Foundation. Whether you are flexing on the table or cheering from the sidelines, this is one you won't want to miss.

AUGUST SAFETY TIPS

How to effectively Handle Road Threats While Motorcycle Riding

Recognizing Road Threats—First things first—recognizing threats. These may include careless drivers, poor weather conditions, and dangerous road surfaces. Stay alert and maintain a defensive driving strategy.

Formulating Quick Responses—Next, learn how to make fast decisions and control your bike swiftly yet safely during an emergency. This involves mastering your braking and steering techniques—it could be the difference between a close call and a collision.

Keeping Your Bike in Top Shape—Regularly maintaining your ride is critical for safe driving. Make sure your bike is always ready for the road by carrying out regular checks of tires, brakes, lights, fluid levels, etc.

Wear Appropriate Gear—Suit up before hitting the road! Quality protective gear such as a helmet, gloves, boots, and a jacket can provide much needed safety against potential hazards.

The excitement continues the following weekend with the highly anticipated Casino Run, hosted by Randy Jacoy and Allen Stugelmeyer, on August 16th, 17th and 18th. We're betting it's going to be a hit and a great excuse to pile on the miles with fellow riders.

We'll come together again for our Monthly Chapter Meeting on Tuesday, August 19th, a chance to share stories, laughs and as always a surprise treat (you know how we roll). Then gear up for a weekend packed with adventure with our first ever Rose City HOG Murder Mystery on Saturday, August 23rd. This is a role-playing outdoor city game that combines the challenge of an outdoor escape room, the excitement of a scavenger hunt, and the suspense of a murder mystery. See www.rosecityhog.com for more details. Also on August 23rd, is the Annual SGT Watts Veterans Foundation Motor Cycle Raffle. Check out www.sgtwattsveteransfoundation.org for more details. And finally, mark your calendars for Sunday, August 24th, as we roll north west on Lee's Long Beach "Lost Roo" Ride, a Pacific Coast escape you won't want to miss.

This month is truly a showcase of what Rose City HOG is all about: great rides, big laughs, meaningful causes, and the friendships we forge along the way. It's a reminder that when you ride with a purpose, and with people you care about, every mile matters.

As always, we thank our sponsor, Volcano Harley-Davidson, for being the kind of partner every chapter dreams of. Their energy and generosity help us do more, ride farther, and have a whole lot of fun.

So grab your gear, clear your calendar, and join us. Because this August, we're not just riding, we are making memories.

See August events page, facebook and the website for more information.
