

West Bend HOG 2026 Statewide Poker Run

Statues and Attractions

The 2026 Poker Run begins at our bike blessing on Sunday, May 3, 2026, and ends with our chapter meeting on November 13, 2026.

This is an individual riding challenge that you can complete on your own or with other members. If you accept this challenge, you'll be on a quest to visit a variety of cool statues and attractions throughout Wisconsin.

1. The entry fee is \$10 per person, not per bike. Prizes will be awarded for 1st, 2nd, and 3rd place with the amount awarded dependent upon the entry fees received.
2. Retired members will need to visit a minimum of 20 stops for 20 cards. For each additional stop visited beyond the original 20 stops, retired members will receive an additional card up to a maximum of 30 cards.
3. Working members will need to visit a minimum of 16 stops for 20 cards. For each additional stop visited beyond the original 16 stops, working members will receive an additional card up to a maximum of 30 cards.
4. When you visit an attraction, take a picture of yourself and the attraction, preferably with your bike, but not required. It's selfie time!
5. Transfer your photos to a zip drive by the November 13, 2026, chapter meeting and give the drive to Steve R. at the meeting.
6. You'll draw your cards at our chapter Christmas party according to the number of stops that you've made, up to 30 cards. You may only hold five cards at one time, so as you pick cards, you will discard unwanted cards and then pick another, trying to get the best poker hand.

Be sure to stop in at West Bend Harley-Davidson and check out the Poker Run map for help in mapping your rides.

That's it! Good luck to all explorers as you search out these unique art forms!
